For what more can one say? The eternal, yet ever present prescription for living resounds from heaven, "Have faith in God". Jesus said to his disciples that My sheep hear My voice, another voice they would not hear. "Have faith in God", Resonates, with life, power, and holy force in the life of every believer and anyone who would call upon the name of the Lord our God. Have faith in God, purports to every longing desperate heart, every inquiring intellect, and to every wayward soul, have faith in God. The message is clear, resilient, enduring and unwavering, have faith in God exclaims hope that is present in every circumstance and situation. The immutable God of all that is, calls to humankind, have faith in God. What is impossible for man, is possible with God, Jesus instructed His disciples in the parable of the rich man and his desire to enter the kingdom of heaven. What is impossible with man is possible with God. Have faith in God, is the instruction, the counsel for the mundane, the routine, the unexpected. Have faith in God transcends the resources of man to the infinite resources of the Almighty. Have faith in God is the serenity prayer of everyone who looks to Jesus Christ the Lord, the Lamb of the living God, the Prince of Peace and Wonderful Counselor. The voice that spoke creation into existence, and the breath that breathed life to every living creature, the Word/Logos that became flesh speaks to the ears and hearts of man have faith in God. In the time of crisis, peace, prosperity, terror, torments, and grace, Jesus says to us, have faith in God.

Have faith in God is the corner stone of faith and belief, the anchor and pylons of personal and eternal security. Having faith in God transforms Self into the image of the Son of His love. Is it a matter of translation?, The New King James Version renders this same verse, "have faith in God", the New American Standard Version of the Bible renders this verse, "have faith in God, the New International version states it this way, have faith in God, Young's Literal Translation states, have faith in God, the God's Word Translation states, have faith in God. Jesus words to his disciples are exactly and perfectly His Word, have faith in God. There is not another translation for this passage for this reality, for this absolute. It is absolutely eloquent, and true, have faith in God. Along with the apostle Paul one will say, ²⁰I have been crucified with Christ; it is no longer I who live, but Christ lives in me; and the *life* which I now live in the flesh I live by **faith** in the Son of God, who loved me and gave Himself for me. **Galatians 2:20 (NKJV)** Have faith in God, God is greater, Have faith in God, God is bigger, Have faith in God, God is more and has more, Have faith in God.
